The URL:
http://www.grounation.org/index.php?post/2008/07/04/8-how-to-use-a-tpm-with-linux (on the last slide of week6_01.pdf) appears to be incorrect. In fact the domain grounation.org appears not to exist.

Oops, I guess that they have taken away that link.
Anyway, Please see the following message posted 15 days ago by Mr. Will Author

For those interested in learning more about TPMs, a book on TPM 2.0 has just been published. I was one of the co-authors.
http://www.amazon.com/Practical-Guide-TPM-2-0-Platform/dp/1430265833/ref=sr_1_1?ie=UTF8&qid=14236088...
The book can be downloaded for free, or you can purchase a hard copy.

Also, the TCG web site has some of the TSS (TPM Software Stack) API standards are that have been developed for TPM 2.0.
